### Steve McLaughlin

•Born in Washington State and a third generation native of the Pacific Northwest.  
•Graduated: University of Oregon, B.S. in Biology and Public Health. •Honorably served 25+ years in the Navy. Participated in operations and conflicts in Bosnia, Somalia, DESERT STORM and the Global War on Terror.  
•Served as the Executive Officer, Naval Station Everett and was a key player in the Snohomish County Homeland Security Strategy Committee.  
•Initiated an effort to help preserve one of the last tracts of lower Puget trough old growth Forest by naming the forest after Navy Forester, Walter Briggs, who saved this beautiful tract.  
•More recently, worked as the Critical Infrastructure Protection Business area manager for Sound & Sea Technology, in Lynnwood, WA.  
•Founding President of Liberty Watch of Washington, a non-partisan organization dedicated to preserving the rights and freedoms of all Washingtonians as well as providing relief services to our citizens affected by disaster.

## OPERATION PREMONITION

**A Scenario-Based Disaster Response Exercise**

**September 9-11, 2016**

Operation Premonition is a Leadership Coordination, Command & Control, and Inter-operability training exercise.

This exercise is a simulated cyber attack on the nation's communications and power infrastructure. AmRRON operators will establish communications networks to receive and share news and information about the developing situation.

## The Americans are coming!

*Jeremiah 29:11 - For I know the plans I have for you, declares the Lord, plans to prosper you, and not to harm you, plans to give you a hope and a future.*
