November-December LVA Meetings

Assembly of the Whole – Dec. 12, Location: Jordan Hay Shop

Executive Board – Skip, WestWind Aviation Services hangar

Round Table – Dec. 3, WestWind Aviation Services hangar

Breakfast Get-Togethers, Fridays, 7am, Caff'e Villa

IDENTIFY AS A MEMBER

This pewter American Flag pin is a unique way for members to show their affiliation with the LVA. Lots of people wear 'flag' pins. But no one wears this one... except LVA members.

These pins are available to **members only**. A donation of \$3.00 per pin, or two for \$5.00 is requested.

Available at the membership table.

The LVA Net is activated every Wednesday at 8 pm. All licensed and unlicensed members with radios are requested to tune in to the net and check in when requested. Unlicensed members should be checking in on FRS4 and licensed amateur operators should be checking in on the ham VHF primary frequency.

LVA AND SECTOR FREQUENCIES

- | | |
|-----------|----------------------------|
| 1. AmRRON | 146.4200 ham VHF Primary |

Power Strips Available

A wide variety of power strips for home, office, and shop use have been acquired by the LVA. These units will continue to be available to members on a first come, first served basis. A \$5 donation is requested per unit. Contact Member Services for more information.

Matthew 5:14-16 *Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.*
